Watch the voiced over power point. You may watch it as many times as necessary. You will have access to the power point when taking the test. Complete the abbreviations worksheet. You will be able to watch the video again and will have access to the power point while taking the test. If you do not pass the written piece of the you will have two other opportunities to retake the test. Passing is 12 or less wrong. Again, you can watch the video as many times as needed and the power point and video can be used during the test.

Home Managers will need to call and schedule a time for their Employee to come to The Right Door @ 375 Apple Tree Drive to take the test. Employee has watched the power-point and completed the test before scheduling. *There is a \$10 fee if your employee no shows for the Basic Health and Medications appointment. This fee will need to be paid before rescheduling the employee that no showed or other employees needing this class.* Please schedule these appointments with Audrey Phillips LBSW RN 616-902-2319.

You will also need to pass the clinical piece of the Basic Health and Medications by demonstrating a blood pressure and taking a pulse. You will need to know normal ranges of a blood pressure and pulse. Even if this is not something you will need to do at your job it is part of our class and is a requirement to get your certificate.

We do not save your answer key or certificate. Please keep a copy for yourself and your Employer.
