POLICY

Application

This policy shall apply to The Right Door for Hope, Recovery and Wellness.

1.0 Intent

It is the intent of this policy to ensure that funds are invested in a manner which will provide the highest investment return with the maximum security while meeting the daily cash flow needs of The Right Door for Hope, Recovery and Wellness and comply with all state statutes governing the investment of public funds.

2.0 Policy

All investments shall be approved by the Authority Board and properly controlled to ensure safety, diversification, liquidity, and return on investment.

- 2.1 Safety – Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio.
- 2.2 Diversification – The investments will be diversified by security type and institution in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
- 2.3 Liquidity – The investment portfolio shall remain sufficiently liquid to meet all operation requirements that may be reasonably anticipated.
- 2.4 Return on Investment – The investment portfolio shall be designed with the objective of obtaining a rate of return throughout the budgetary and economic cycles, taking into account the investment risk constraints and the cash flow characteristics of the portfolio.

3.0 Delegation of Authority
