5.19 Other sentinel event. A sentinel event is an unexpected occurrence within a CARF accredited program (CSM, OPT, IMH, HB, Access and Crisis Intervention) involving death or serious physical injury or the risk thereof. Serious injury specifically includes loss of limb or function. The phrase “or risk thereof” includes any process variation for which a recurrence would carry a significant chance of a serious adverse outcome.

5.19 All CARF critical incidents will be analyzed in writing and presented to leadership at least annually, and address causes, trends, actions for improvement and results of improvement plans. This analysis will also look at any necessary education and training needs of personnel, and prevention of recurrence.

5.19.1 Recipient Rights Officer will code the incident in the electronic health record and alert QI/Compliance to CARF critical incident where serious physical harm or death or risk thereof incident occurs.

5.19.2 QI/Compliance will send Sentinel Events to CEO for assigning for review as appropriate.

6.0 In the event of a critical incident, the responsible individual involved with the incident will immediately notify the appropriate Program Manager/Supervisor and the Recipient Rights Officer.

6.1 The Program Manager/Supervisor will notify the Chief Executive Officer (CEO) or designee.

- 6.2 The Recipient Rights Officer will determine whether the incident report warrants a recipient rights intervention or investigation as required by the MI Mental Health Code and agency policy.
- 6.3 The Recipient Rights Officer will notify the Program Manager/Supervisor and consult with the QI Director and Medical Director if necessary within one business day to determine if the event requires a root cause analysis (sentinel event/critical incident review).
- 6.4 The Recipient Rights Officer or designated staff will notify the PIHP and/or the accrediting body of critical incidents/sentinel events as required.
- 7.0 In the event of an injury in an unusual incident where there is reasonable cause to suspect abuse or neglect, the Recipient Rights Officer shall follow the procedures outlined in the Board Recipient Rights Abuse and Neglect Policy.
- 8.0 Completing an Incident Report Form:
 - 8.1 Employees who witness, discover, or are notified of unusual incidents or accidents involving a person served shall:
 - 8.1.1 Take immediate action to protect, comfort, and arrange for emergency medical treatment of the person served, as necessary.
 - 8.1.2 Notify the appropriate Supervisor/CEO of a serious incident or injury involving a person served.
 - 8.1.3 Complete an Incident Report form and give the report to their supervisor by the end of the shift.
 - 8.1.4 The report must be completed in a neat, accurate and timely manner before the end of the shift.
