PROCEDURE

Application

This procedure shall apply to all contract employees of The Right Door for Hope, Recovery and Wellness.

1.0 Definition

Contract employees are employees of The Right Door for Hope, Recovery and Wellness hired on a contractual basis to provide a specific service during a specified period of time.

2.0 Hiring

The Program Manager and CEO, with the assistance of the Human Resources department, shall be responsible for the hiring process of contractual employees.

3.0 Contract Development, Maintenance, and Renewal

- 3.1 The Program Manager, in conjunction with the CFO, will be responsible for initial contract development and renewal negotiations
- 3.2 The initial contract for services and payment schedule shall be developed by the Accountant in conjunction with the Program Manager, with final approval by the CEO.
- 3.3 The CEO shall obtain Board approval for any contractual employee position not previously approved and funded.

4.0 Fringe Benefits

- 4.1 No standard employee benefits are provided. However, at their own expense, contract employees may participate in the agency's health, vision, dental, and other employee optional benefits, including voluntary term-life insurance, AFLAC, and flex-benefits plans, during the period in which the contract employee maintains a schedule of availability equal to or in excess of 30 hours per week.
- 4.2 Contract employees who meet certain eligibility requirements shall be automatically enrolled in the Money Purchase Retirement Plan.
