PROCEDURE

Application

This procedure shall apply to staff and contractual providers of The Right Door for Hope, Recovery and Wellness.

1.0 Purpose

The purpose of this procedure is to establish a process for reviewing and responding to identified employee sentinel events.

2.0 Employee Sentinel Events

When a Sentinel Event occurs (death or significantly serious injury or illness) with an employee of The Right Door for Hope, Recovery and Wellness, the CEO or designee shall be notified. The CEO will make the decision if the event is appropriate for the following action.

- 2.1 The CEO or designee will notify managers/supervisors of the staff event. Each manager/supervisor will develop their own practice of notifying their staff of the event.
- 2.2 Consideration shall be given to those community members that should be directly notified by the agency and the consumers who had direct contact with the individual.
- 2.3 The CEO shall identify management staff to arrange debriefing. Attention will be given to the locations that this will take place.
- 2.4 Managers/Supervisors shall follow through with any further information such as funeral plans and make the information available to staff.
