

Chapter Title Fiscal	Chapter # F		Subject # 282.6
Subject Title Data and Information – Consumer and Community Outcomes	Adopted 3/1/96	Last Revised 3/17/17	Reviewed 4/12/08; 4/23/10; 2/24/14; 5/12/15; 3/17/17

PROCEDURE

Application

This procedure shall apply to The Right Door for Hope, Recovery and Wellness.

1.0 Consumer and Community Outcomes

Inquiries regarding consumer outcomes (including satisfaction) and community satisfaction serve as methods of organizational monitoring and evaluation of performance. The procedures for formally gathering, collecting, compiling, analyzing, interpreting, reporting, and utilizing consumer outcome, consumer satisfaction, community satisfaction and program evaluation data and information are described in the following sections.

2.0 Consumer Support and Service Outcomes

Leadership staff, in collaboration with the organization's QI structure, will be responsible for developing and maintaining a system for formally soliciting, collecting, compiling, analyzing, interpreting, reporting and responding (utilizing) to consumer outcome data and information.

3.0 Consumer Satisfaction

The Leadership staff, in collaboration with the organization's QI structure, will be responsible for formally soliciting, collecting, compiling, analyzing, interpreting, reporting, and responding (utilizing) to consumer satisfaction data and information at a minimum of annually. All individuals receiving supports and services will be afforded opportunities to provide input as to their satisfaction with said supports and services and other relevant concerns.

4.0 Community Satisfaction

An inquiry of community satisfaction will be completed minimally annually. The purpose of the inquiry of community satisfaction is to determine the community's perception and satisfaction with the efforts of the organization.

5.0 Network Provider Satisfaction

The Right Door for Hope, Recovery and Wellness
