Environmental Emergencies

Learn how to prevent crisis situations and manage those that arise. This training focuses on the responsibilities of maintaining a safe environment for people living in a community residential setting.

Visit <http://www.rightdoor.org/for-providers/training/environmental-emergencies.html>

for links to Environmental Emergencies training.

Preventing Disease Transmission

Learn how to protect yourself against diseases that can be transmitted through the air, blood, and other routes.

Book Work

Nutrition and Food Services

Learn the fundamentals of human nutrition, including basic nutrition, how to implement good nutrition, and related issues, such as food safety, shopping, and safe food storage.

Book Work

Basic Health and Medications

The basics of health as it pertains to mental health, including vital signs, medical emergencies, and infection control will be covered in the book work. Also learn the proper techniques to reduce errors in taking medications, knowing the different types of medications, and the five rights.

Book Work

Test Review and Vital Signs

Call (616) 775-1023 to schedule test review appointment after book work is completed.

Cultural Competency

Visit <http://www.rightdoor.org/for-providers/training/cultural-competency.html> for links to cultural competency training resources.
